

Precision Guessworks

Team 1646 is in our 22nd season competing in the FIRST Robotics Competition. We hail from Jefferson High School in Lafayette, Indiana.

All 8 FLL Explore and 1 FTC team were started in the 2025-2026 Season by us!

1646 IS TINY AND MIGHTY

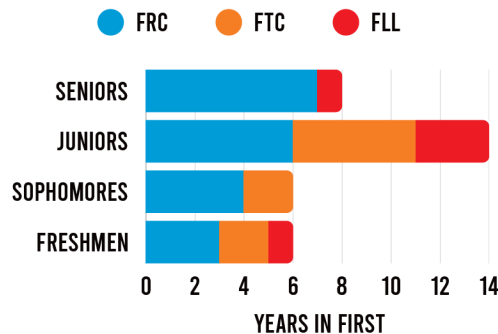

11

STUDENTS

5 Boys

1 Nonbinary

5 Girls

FIRST PIPELINE

Over half our current FRC team has been involved in another FIRST program

WHAT HAVE WE BEEN UP TO IN 25-26?

RAISING \$99K IN GRANTS AND SPONSORSHIPS

Funds utilized across all our FIRST programs and our school's tech department

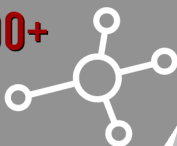

STARTING 8 FLE TEAMS

54 Students new to FIRST in Grades 2-4

REACHING 3,000+ PEOPLE

This year alone!

THREE TENETS

Each arrow represents one of three tenets. These are goals we strive for when engaging with others through outreach.

EMBRACE TECHNOLOGY

Our team provides memorable experiences with STEM for our team and the people we impact through outreach.

EDUCATE OUR COMMUNITY

Demonstrations inspire young children to engage in the same ideals as our team and FIRST.

EMPOWER THE WORLD

No one person can change the world; FIRST helps students understand how to work as a team so they can change the world.

"MAN, Y'ALL ARE EVERYWHERE!"

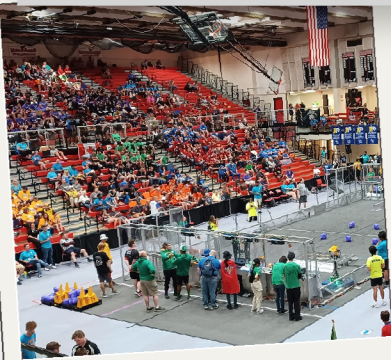

WHERE IS PRECISION GUESSWORKS?

IN OUR COMMUNITY

Hosting drives for Community Cancer Network
Attending dinner party with town politicians
Giving tours of facility to District Representative
